

WHERE THE SPIRIT OF THE LORD IS THERE IS FREEDOM

Catholic Foundation of Northeast Kansas | 2017-2018 Annual Report

Where the Spirit of the Lord is, there is freedom." 2 Corinthians 3:17

The Catholic Foundation of Northeast Kansas is pleased to present this Annual Report to you, our dear friends, fund-holders, donors, and fellow Catholics with a fervent hope that this publication will hearten and enlighten you. Both the Catholic Church and the Catholic Foundation of Northeast Kansas desires a deep transformation, of each of us, into the very image of Jesus Christ - to experience a liberty that can only come from the pursuit of Him.

Archbishop

Joseph F. Naumann

Dear Friends in Christ,

The Holy Spirit empowers each of us with the freedom to walk in a new life in Christ. St. Paul writes, "Where the Spirit of the Lord is, there is freedom."

Our Christian understanding of freedom is guite different than the prevailing concept in our secular culture. The notion of freedom popular in our society is the ability to do whatever we want as long as it does not harm anyone else. The Christian understanding of authentic freedom is the ability to choose the good and the noble, no matter the external circumstances of our life.

Each of us is blessed with the freedom to live a holy and fruitful life. "But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things, there is no law. Those who belong to Christ Jesus have crucified the flesh with its passions and desires. Since we live by the Spirit, let us keep in step with the Spirit." Galatians 5:22-25

The gifts of the Holy Spirit are manifested every day in the goodness of our faithful Catholic community in Northeast Kansas. I witness the fruits of the Holy Spirit in the wisdom of clergy and our parish and school leaders, in the dedication of our teachers and employees, in the kindness and generosity of thousands of Catholic faithful.

Freedom in Jesus Christ starts from salvation and extends into eternity. The gift of hope is God's love poured out into our hearts through the Holy Spirit, who has been given to us. (Romans 5:5). It is my hope that the Catholic Foundation of Northeast Kansas and all those reading this Annual Report will continue to ensure that future generations experience the ministries and sacraments of our Catholic faith. I extend to the CFNEK Board of Directors and staff, and to each donor and friend, my deepest appreciation.

Sincerely yours in Jesus, the Lord of Life, Archbishop Joseph F. Naumann

In these pages, you will read about the recipients of our Deo Gratias Awards, St. Gregory the Great Catholic Church, and Mr. Don Landoll, Marysville, Kansas, and to them I offer my sincere congratulations.

With this publication, we commemorate 30 years in the life of this worthwhile organization that stewards responsibly the gifts of the Church for the benefit of those who come after us. In October 2019, the Catholic Foundation of Northeast Kansas will recognize its own 30th anniversary milestone with a pilgrimage that I will lead to the Holy Land.

Lesle M. Knop **Executive Director**

Laste M. Kurp

Dear Friends.

In order to prepare for this 30th year milestone in the history of the Catholic Foundation of Northeast Kansas, we looked in old files and archives. We found faded facsimile pages (remember fax machines?) and real "carbon copies" of letters and memos from leaders and archbishops who established our organization. For each person whose name I came across, I gave thanks. During their lifetimes, they made a difference. They left a legacy by sharing their time, their talents, and their treasure. For their gifts, let us be truly grateful.

In the 30 years of our existence, the Catholic Foundation of Northeast Kansas has provided distributions of income and principal in excess \$56 million since inception in 1989, while growing to \$92,249,059 in assets under management.

This past year, we have been blessed with unique opportunities to serve parishes, schools, and Catholic organizations. Among them was the introduction, on behalf of the Archdiocese of Kansas City in Kansas, a successful Giving Tuesday opportunity called "#iGiveCatholic." We attracted artists from throughout the country for the first Regional Juried Christian Arts Competition and Exhibition, and served our Catholic youth with the fifth annual Archbishop's High School Juried Art Show. We presented the ninth annual Continuing Education Seminar for our Catholic community of professional advisors. We set a new record of Catholic Legacy Society members. We advocated for a culture of planned giving to ensure a strong foundation for the future Church in Northeast Kansas.

Our mission is simple: The Catholic Foundation of Northeast Kansas will continue to strive for investments that adhere to Catholic teaching while providing long-term value for our fund-holders. My prayer for you is that the Holy Spirit will reveal God's Word to you so that you may live a fruitful life that brings honor to God. I pray also that this Annual Report, as it becomes a dusty artifact, will remind future Catholics of the great work that you are doing today.

Your sister in Christ, Lesle M. Knop, CFRE

#iGIVECAHOLIC

#iGiveCatholic is a 24-hour online campaign held annually on Giving Tuesday. The Catholic Foundation of Northeast Kansas sponsored this giving day on November 28, 2017, for the parishes, schools, and ministries within the Archdiocese of Kansas City in Kansas to fundraise for special case elements of their choosing. 46 organizations were registered, seven live training sessions were conducted, and collectively over \$323.000 was raised.

We celebrated the generosity in our Catholic community, and beyond, by watching the donations being made in real-time to the participating organizations. It was a pleasure to be engaged with, and see the success our parishes, schools, and ministries had, to carry out their unique case elements to better serve their communities.

DEO GRATIAS AWARD - 2018

DISTINGUISHED CATHOLIC ORGANIZATION AWARD

ST. GREGORY THE GREAT, MARYSVILLE

The St. Gregory the Great's community began fundraising for their new church in 2015. Through many generous donors and supporters the new church was completed by May 2018. The new church included a 43 ft. tall centerpiece called a 'reredos' that was built in Austria in 1867 for the second German church in New Jersey that closed in 2012. The 'reredos' also includes 17 hand-carved wood statues each carved from one single trunk.

On May 26, 2018, Archbishop Joseph Naumann, along with Fr. Nathan Haverland, dedicated a newly completed St. Gregory the Great's Church, but their history began in 1859 when Bishop John Baptist Miege was serving Catholics in the area.

The Parish was officially recognized in 1862 completing its first building in 1875. In 1877, four acres were purchased for the St. Gregory's Cemetery, and in 1906, the St. Gregory's School was dedicated. Since that time, St. Gregory's leaders and members have remained dedicated to supporting their community assuring, they would be there for many years to come.

In 1996, St. Gregory's Parish established two endowed funds with the Catholic Foundation of Northeast Kansas. The Church had a desire to ensure a strong financial future, so they didn't stop there. Between 1996 and 2007, St. Gregory's established three more funds. Combined, their endowed funds have grown to more than \$890,000.00.

Combined, their endowed funds have grown to more than \$890,000.

St. Gregory's Catholic Church also has a growing Catholic Legacy Society. For these reasons, St. Gregory the Great's Parish was nominated to be honored with the 2018 Deo Gratias Distinguished Catholic Organization Award by the Catholic Foundation of Northeast Kansas.

DON LANDOLL, MARYSVILLE, KANSAS

Everyone grows up wondering how he/she is going to leave a lasting impression. In a legacy spanning 75 years, this impression comes in the form of an entrepreneurial spirit that spans the globe. Whether it is piece of farm equipment in the Midwest, a trailer unloading a piece of construction equipment in California or a forklift moving missiles in the belly of an aircraft carrier in Pacific Ocean, rest assured the Landoll Corporation and the Landoll Family are known far and wide. Locally, their reputation for quality manufacturing goes hand-in-hand with the spirit of giving back!

In a legacy spanning 75 years, this impression comes in the form of an entrepreneurial spirit that spans the globe.

Don Landoll founded the Landoll Corporation in Marysville, KS in 1963. Mr. Landoll has taken a one-man welding, radiator, and blacksmith shop with 12,500 sq. ft. and turned it into a global leader in manufacturing with 800+ employees and over 960,000 sq. ft. under one roof. Mr. Landoll, President and Chairman, stays actively involved in the day-to-day activities of the company. He has four children: Paula, Pat (deceased), Phil, and Pam, with Paula and Phil working at the corporation. Mr. Landoll's hard work and common sense leadership approach have grown Landoll Corporation to where it is today. Understanding that his hard work has paid off, Mr. Landoll has made the most of his opportunity to give back!

The Don Landoll philanthropic activities span the past 50+ years and are farreaching. Most notably, his work for St. Gregory the Great Catholic Parish and the recently-built Community Memorial Hospital in Marysville, KS. Mr. Landoll has not only been a significant financial donor in all the projects, but also led the charge as leadership of the school remodel/new gym, new playground, and most recently, the chairman of the building committee for the new church and parish hall. The vision and leadership provided by Mr. Landoll has put the St. Gregory the Great award-winning campus on the map.

For these reasons, it is the honor and privilege of the Catholic Foundation of Northeast Kansas to present to Don Landoll the 2018 Deo Gratias Oustanding Catholic Individual Award.

30TH ANNIVERSARY PILGRIMAGE – OCTOBER 18-28, 2019

A PILGRIMAGE TO THE HOLY LAND

The Holy Land, often referred to as the fifth Gospel, offers the Catholic pilgrim an unparalleled spiritual opportunity. Our tentative schedule is that we will spend five nights in Jerusalem. We will visit Bethlehem, the Baptismal site at the Jordan River, the Judean hills of the Visitation, and trace Jesus' steps through all the events of Holy Week. We will also spend three nights on the shore of the Sea of Galilee, the region in which Jesus spent most of His public ministry. We will visit the home of the Holy Family in Nazareth, renew our wedding vows in Cana, and meditate on the Eucharist in the synagogue at Capernaum.

In each holy place, Mike Scherschligt, Catholic theologian and School of Faith Director, will present a compelling encounter with Our Lord Jesus to make our faith relevant and dynamic today. His Excellency, Archbishop Joseph F. Naumann, Archbishop of the Archdiocese of Kansas City in Kansas, will celebrate daily Mass. Your prayer life and participation in the Mass will never be the same after this pilgrimage.

For more information about the Holy Land Pilgrimage, please contact Trinity Travel, Rich and Trudy Boynton at 913-422-4141.

Highlights of our pilgrimage will include daily Mass with Archbishop Joseph F. Naumann and Scripture teachings & spiritual reflections by Mike Scherschligt. *Pilgrimage photos courtesy of Trinity Travel, Rich and Trudy Boynton

CEMETERIES Honoring Those Who Have Passed Into Eternal Life

How Cemeteries Benefit From Endowments and Funds | Perpetual care and support for Catholic cemeteries across the Archdiocese are provided in no small part by endowments and funds held by the Catholic Foundation of Northeast Kansas. The 18 funds that benefitted cemeteries received \$493,542.76 of additional funds and made distributions of \$141,605.61 during the last fiscal year to support the important mission of maintaining and providing upkeep of roads, mausoleum repairs, lawn and tree care, irrigation and irrigation equipment and replacement, and shrine maintenance and repair at parish cemeteries and those cared for by Catholic Cemeteries of Northeast Kansas.

How Human Service Endowments and Funds Benefit the Needy | Human service organizations across the Archdiocese of Kansas City in Kansas were supported last year by more than \$96,667.04 in distributions and \$436,388.20 in additions to ten funds that were created and grown by generous contributions from people touched by the support that these organizations provide. From funds to benefit Catholic Charities and Villa St. Francis, to the Irene Wohletz Fund for the Poor, human services funds help many of the most vulnerable in our communities.

OTHER FUNDS

How Other Funds Offer Convenient Management of Philanthropy | A tool that has grown in popularity across the United States for those looking to plan their philanthropy has been the Donor Advised Fund. This year, the Foundation had 30 Donor Advised Funds and 9 Charitable Gift Annuities, which allow donors to conveniently manage their philanthropic gifts to Catholic organizations and other charities around the Archdiocese and across the country.

How Other Endowments Benefit Cultural Outreach and Lay Ministry | An endowed fund is a way of giving that creates a permanent, continuous source of income for the various ministries of the Roman Catholic Archdiocese of Kansas City in Kansas.

How Religious Vocations Grow With Endowments and Funds | The commitment to vocations at the Archdiocese is helped by seven funds that provided more than \$355,518.48 in distributions for vocations. Religious Vocations Funds received \$20,060.00 in new deposits. The need to educate and train clergy is significant and requires continued support from the Archdiocese. This commitment to vocations provides Catholics access to the Mass, the sacraments and pastoral care. It continues to be a great responsibility for the Church to provide the needed funding for priestly formation and training, now, and into the future.

We regret any omissions or errors. Please notify the Catholic Foundation of Northeast Kansas if you have designated your parish or other Catholic organization in the Archdiocese of Kansas City in Kansas as a beneficiary of a bequest or other planned gift. Anonymous gifts are treated confidentially.

Launched in 2009 under the direction of Archbishop Joseph F. Naumann, the Planned Giving Initiative (PGI) provided resources for parishes, schools, and Catholic organizations across the Archdiocese of Kansas City in Kansas to build a culture of stewardship throughout life and beyond using endowments and planned gifts. Parishes and schools following CFNEK PGI guidelines see measurable increases in confirmed planned gifts. Since the PGI pilot year, more than 500 people joined the Catholic Legacy Society.

PGI accomplishments in fiscal year ending June 30, 2018:

- 10 new Catholic Legacy Society Members, an increase from 678 to 688
- 1 new school endowment
- 2 new parish endowments
- 1 new human services endowment
- 2 new charitable gift annuities
- 2 new donor advised funds

PLANNED GIVING

BUILDING GOD'S KINGDOM IN KANSAS ONE CATHOLIC LEGACY GIFT AT A TIME

The Catholic Foundation of Northeast Kansas would like to commend the participating parishes for their leadership in philanthropy. Since its inception in 2009, the Planned Giving Initiative has been introduced and established in 38 parishes or high schools in the Archdiocese of Kansas City in Kansas.

The purpose of this initiative was to help parishes and high schools provide for their long term financial needs with an additional focus on promoting planned giving in their community. The CFNEK helped the parishes and high schools establish and/or grow their fund, establish a legacy society, and implement an ongoing marketing plan for increased bequests and other planned gifts.

The ultimate goal of this effort was to instill a systematic and institutional focus on planned giving in parishes, schools and organizations by providing the tools to build a measurable and sustainable planned giving culture.

After each fiscal year, we awarded parishes and schools who accomplished new goals in regard to the Planned Giving Initiative. The Catholic Foundation of Northeast Kansas will soon celebrate its 30th Anniversary, and this year we want to celebrate all of our parishes and schools who have built a solid culture of Planned Giving in the Archdiocese of Kansas City in Kansas.

For more information about Planned Giving contact the CFNEK office at 913-647-3062 or cfnek@archkck.org.

DONOR ADVISED FUNDS

ESTABLISH YOUR FAMILY'S LEGACY OF CHARITABLE GIVING

Establish your family fund now, then make recommendations for distributions over time to the Catholic Foundation of Northeast Kansas. The distributions will be made from the Foundation in the name of your DAF to the qualifying charities you recommend. The Foundation is your fund administrator. You may access your DAF reports online to see quarterly statements and make distribution requests.

Why is a Donor Advised Fund the Right Choice?

- Financial Benefits: Current tax deduction
- **Pressure-Free Giving:** Take your time in deciding which charities you want to receive your gift.
- Save Time: Simplify your philanthropy. Make gifts to your fund when you want, and let the Foundation handle the paperwork.
- Lower Fees: A DAF can be a low-cost alternative to a family foundation. The Foundation charges \$100 plus one percent of the fund's balance per year, assessed quarterly, to administer your fund.
- Faithfully Invested and Distributed: Socially Responsible Investing (SRI) screens ensure that your fund will be invested to reflect your Catholic values. Distributions are reviewed to protect you from unintentionally supporting charities that disagree with Catholic teaching.

Choose How You Do Good

A Donor Advised Fund gives you the freedom to decide how your gift will do good. In any calendar year, your fund may make distributions in amounts of \$100 or more that are:

At least 50 percent designated to Catholic organizations, with a minimum of 25 percent of the total funds going to charitable entities within the Archdiocese of Kansas City in Kansas. Up to 50 percent of the distributions may be designated to any non-Catholic qualified charity in accordance with Catholic teaching.

Most importantly, a Donor Advised Fund allows you to focus on giving. We do the work to develop your fund and administer your gifts so your attention may be devoted to making a difference in the world.

Contact us today to learn more about establishing your Donor Advised Fund: 913.647.3062

A Donor Advised Fund (DAF) is a gift of at least \$5,000 with a not-yet-designated beneficiary. Make a difference in our Catholic community today and into the future, while teaching your family the value of establishing a lasting legacy.

BENEFICIARIES OF DONOR **ADVISED FUNDS AND** SCHOLARSHIPS

We are pleased to serve as the partner for many organizations and donor families within the Archdiocese of Kansas City in Kansas who use Donor Advised Funds and scholarship funds to benefit organizations and ministries serving our local community. This year CFNEK distributed \$2,519,129 from these funds to further the 10-year vision set forth by Archbishop Joseph F. Naumann for the Church to practice "Complete Joy: Growing as Disciples of Jesus, Making Disciples For Jesus."
