

*As for me and my house,  
we will serve the Lord. (Joshua 24:15)*

The Office of Marriage and Family Life is re-introducing to parishes an initiative aimed at increasing awareness of the corrosive effects of pornography on society and offering support and healing to families and individuals who are harmed by it. The pervasiveness of pornography in our society is threatening souls, wounding marriages and robbing children of their innocence.

On the weekend of \_\_\_\_\_, a video will be shown at all Masses that addresses the scourge of pornography and offers guidance for protecting families and finding freedom from the effects of this prevalent evil. Please pray that our culture might be healed from the damage inflicted by pornography.
