

Stewardship

Stewardship is sometimes seen only as giving more to the offertory collection. However, stewardship is more than just contributing money, it is a way of looking at life. When a person has a profound sense of gratitude resulting from seeing everything – *everything* – as a gift from God, the individual is motivated to return some of this abundance to Him.

Begin with prayer. Each day of our lives is filled with responsibilities and activities. Family, work, school and our community involvements are many. Ask God how you can dedicate all of these efforts to Him. Thank Him for your talents, for the energy and joy you have for the things you do, and ask Him to forgive you for the times you fail. Please prayerfully consider now what you are able to share with others – your time, talent and treasure.
