ARCHDIOCESE OF KANSAS CITY IN KANSAS ANNUAL SCHOOL FINANCIAL REPORT Fiscal Year: July 1, 2019 through June 30, 2020

Due Date (completed with signatures): Monday, August 31, 2020

Blue cells have formulas in them. Please do not type in these cells!

1. The Pastor, Principal, Board Chairperson and Bookkeeper must certify that the report is complete and correct to the best of their knowledge by signing the cover sheet. Such certification is a standard practice in for-profit businesses, and helps to ensure transparency in School finances.

2. The School is required to provide a balance sheet; and to list every known bank and investment account for the School, including all School organizations. All investment accounts should be listed at market value.

3. School organization income and expenses should be shown on page 4 as a net figure, in account 100302. For example, if the PTO collected \$10,000 in receipts, and paid \$4,000 in expenses, the net revenue reportable on page 4 is \$6,000. The figure can be input as a negative if the organization spent more than it made in any given fiscal year.

4. School income and expenses should be listed in detail on this report. If the Parish pays monies to the School, or expenses on behalf of the School, such amounts should be shown in total as Tuition Assistance & Elementary Subsidy, account 863, on page 12 of the Parish Annual Financial Report. This amount should then be listed as income on the School report. The detail of expenses paid by the Parish for the School is then listed in detail on the School report. For example, if a Parish pays \$50,000 directly to the School, plus \$25,000 in salaries for School staff members, the total for account #863 on the Parish report should be \$75,000. The School financial report should show the \$75,000 as income from the Parish, then list the salary expense of \$25,000 in detail on this report.

5. Cafeteria income, expenses, and bank accounts should be included in this report. Cafeteria income in total should be input on page 4, account 100301. Cafeteria expenses in total should be input on page 11, under section 1300. All cafeteria bank accounts should be listed on page 7. The person in charge of the cafeteria should also sign the report.

6. Daycare/Preschool/After School care programs should be included in the School report if the accounting is prepared in the same set of books. All income, expenses, and bank accounts should be listed. If the Daycare is accounted for separately, then a separate copy of this report should be prepared just for the Daycare. The Daycare Director should also sign the report where the Daycare information appears.
