

# Materials Needed for Parish Participation

## START UP ITEMS

The items listed below are considered necessary to launch an Embrace Grace Support Group at a parish. These items are based on beginning with 2 leaders and 5 participants. The Pro-Life Office at the Archdiocese, through donations received from the Archbishop's Respect Life Fund, is offering to pay these "start-up" fees. Any items in addition to the below or for ongoing expenses is to be assumed by the involved parish. However, scholarships could be available on an as needed basis.
