

PACKING LIST, DRESS CODE, RESTRICTIONS

CAMP KATERI TEKAKWITHA

What Clothes to Bring to Camp/Dress Code:

- Our camps require an abundance of physical activity. We want to focus on deepening our faith and enjoying our outdoor adventure, and not on one another's clothes or lost possessions.
- It is important to pack clothes that will be comfortable, safe, and modest and appropriate for athletic activities:
 - Manufactured sleeveless shirts are allowed.
 - A minimum of a 2" inseam on all shorts required. Ropes activities require comfortable and modest longer shorts.
 - Clothing that promotes non-Christian values will not be permitted.
 - Cologne (attracts insects), make-up, and jewelry (is easily lost or broken) need to be kept to a minimum.
 - Good hygiene is also important; deodorant use and showering are strongly encouraged.
