The Archdiocese of Kansas City in Kansas has partnered with the National Catholic Bioethics Center (NCBC) to provide reliable references, thorough explanations, and case-based guidance so you can form your conscience with Catholic teaching when making health care decisions.

This partnership provides resources and personal consults to priests and parishioners to help navigate ethical issues surrounding health care, end-of-life care, infertility, and other important life issues.

Bi-Weekly Ethics Updates

NCBC is providing to all partners a "Biweekly Ethics Update" which features informative & helpful articles.

Free End of Life Resources
