

What is the "Walking With Moms in Need" Initiative?

"The 25th anniversary of The Gospel of Life, March 25 of 2020, gave us a wonderful opportunity to assess, expand and communicate resources to pregnant moms and families in need. I encourage each of you to help your parish implement this initiative. I also urge you to inquire with your local pregnancy resource center how you can help. Lives that we may not currently be able to protect by the law, we can rescue through love. We want to do everything possible to help both mother and child, not only survive but thrive."

Archbishop Joseph F. Naumann of Kansas City in Kansas as
Chair of the USCCB Pro-Life Committee

Through the Walking With Moms initiative, expectant women will see the Church as a safe and loving community of support. Our parishes are full of people who want to help – connecting women to local resources, stepping in to fill unmet needs, and wrapping them in prayer and love.

"I can do all things in Christ who strengthens me"
Philippians 4:13

Women deserve better

Women facing a difficult or unexpected pregnancy often say they don't want to choose abortion but feel they have no choice due to lack of support or financial, relationship, or other pressures.

The abortion industry tells women that abortion will solve their problems, but in reality, abortion harms women. Women who have had an abortion report higher incidences of depression, anxiety, broken relationships, and suicidal thoughts. Physical complications include pain, hemorrhaging, infection, future fertility issues, an increased risk of breast cancer, and death. Visit www.gabrielprojectkc.com to learn more.

Living the Gospel of Life

Even in difficult circumstances, a woman can choose life for her child and a healthier future for herself! Whether she decides to parent or form a loving adoption plan for her child, we must walk alongside her. This is what it truly means to *Live the Gospel of Life!*

A Prayer for Pregnant Mothers

O Blessed Mother, you received the good news of the incarnation of Christ, your Son, with faith and trust. Grant your protection to all pregnant mothers facing difficulties.

Guide us as we strive to make our parish communities places of welcome and assistance for mothers in need. Help us become instruments of God's love and compassion.

Mary, Mother of the Church, graciously help us build a culture of life and a civilization of love, together with all people of good will, to the praise and glory of God, the Creator and lover of life. Amen.
