

CARING HANDS, CONNECTED HEARTS

A ROSARY SUPPORT GROUP FOR CAREGIVERS

A space of prayer, connection, and grace

If you are one of the extraordinary people caregiving for someone, you may be carrying a quiet, heavy burden. While your love runs deep, the daily stress and isolation can take a toll on your spirit and well-being. We see you, we honor your mission, and we invite you to join a community of fellow caregivers, coming together in prayer and fellowship to be strengthened by faith and by one another.

Our time together will include:

- a brief reflection on the caregiving vocation
- a prayerful request for strength
- skills needed in your mission
- praying of the Holy Rosary together

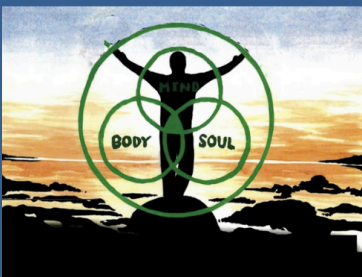

This is a place to rest your heart, renew your spirit, and connect with others who understand. Together, we lift our work, our prayers, and our suffering to the Lord.
