Greetings from the Pro-Life Office!

Thank you to all of you for all you did to share the Gospel of Life during Respect Life Month! We are grateful to the parishes who participated in the Life Chain and 40 Days for Life, helped us promote Respect Life Sunday and our “Signs of Hope” speaker event, and held your own parish awareness or prayer event. May the Holy Spirit bear fruit from your faithful efforts!

November continues with more respect-life themes. It is often referred to by Catholics as the Month of the Holy Souls and is a time to remember and pray for those who have gone before us. It is also a fitting time to consider our passing from this life into the next and how to provide life-affirming care to our loved ones who are nearing

that time. Sometimes it is difficult to remember the profound value of every life, especially when it is at its frailest moments. This is why it is so important for us to lift up caregivers and healthcare providers in prayer this month to remind them of the very holy work they are doing, caring for a loved one and providing love and hope until the very end.

It is also National Adoption Awareness Month. Our Foster/Adopt Ministry is hosting an appreciation event for its families this month. Please consider ways to support awareness for these important life topics in your parishes. See below for ideas and resources.

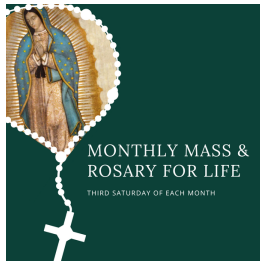

May God bless you for all you do to share the Gospel of Life!

Debra Niesen, Melissa Joerger, Ann Marie Alvey, and Kathy White
