

Expecting? Trying to Conceive? Experienced a child loss?

THE ROSE PROJECT

*Identifying and Supporting Women and Their Families
During the Tender Times of Bringing New Life Into the World.*

We want to pray for you! Please take a rose from the basket with the appropriate color and place it in the vase. Please also complete a card so we can pray for you by name and place it in prayer box.

-  **RED** roses: honoring pregnancy and unborn babies
-  **WHITE** roses: grieving with families suffering a loss (due to miscarriage, abortion, stillbirth, infant or child death)
-  **YELLOW** roses: a birth, fostering new children, or celebrating adoptions
-  **PINK** roses: praying for those desiring to conceive, adopt, or those experiencing infertility

Let us Pray!

All are welcome and encouraged to take a prayer card to keep our fellow parishioners and their families in prayer as they journey through these different seasons in life.

Every month, we will refresh the vase and you are welcome to renew your rose or if your situation should change, please exchange a rose in the vase with a new one!
