Greetings from the Pro-Life Office!

Dear Pastors & Parish Pro-Life Coordinators ~

Greetings from the Pro-Life Office as we enter into the holiest week of the year. We will be praying for this community during the Easter Triduum.

As many of you may know, Archbishop McKnight has announced organizational changes at the Chancery.

“As part of Archbishop McKnight’s commitment to stronger support and collaboration with the parishes, several ministries that were previously organized as separate offices will now be brought together

into a new team called Parish Evangelization Services. This team will provide expertise and consultation to support parishes in areas including faith formation and catechesis, Gospel of Life, charity and mercy, human dignity and social justice, marriage and family life, and the liturgy and sacraments. By integrating these ministries more closely with parish life, the Archdiocese seeks to offer more effective support and collaboration in service of the Church’s mission.” (excerpted from the Archdiocesan Press Release 3/13/2026).

We will communicate more in coming weeks as this new vision begins to take shape and will work to ensure that parish pro-life, Walking With Moms, Embrace Grace, and Foster Care ministries continue to flourish across the archdiocese.

Thank you for all you do to build a culture of life and may you all have a blessed Holy Week, and a joyous Easter.

Deb, Ann Marie, Melissa and Kathy

Mother of the living, to you do we entrust the cause of life

Look down, O Mother, upon the vast numbers of babies not allowed to be born, of the poor whose lives are made difficult, of men and women who are victims of brutal violence, of the elderly and the sick killed by indifference or out of misguided mercy.

Grant that all who believe in your Son may proclaim the Gospel of life with honesty and love to the people of our time.

Obtain for them the grace to accept that Gospel as a gift ever new, the joy of celebrating it with gratitude throughout their lives and the courage to bear witness to it resolutely, in order

to build, together with all people of good will, the civilization of truth and love, to the praise and glory of God, the Creator and lover of life.

Divine Mercy Sunday & Project Rachel Resources

The Sunday of Divine Mercy (April 12) provides an important opportunity to share Christ's message of mercy, especially with those who have been wounded by abortion. By the age of 45, as many as 1 in 3 women have had an abortion, and a similar number of men and family members have been involved. Many inaccurately feel that abortion is "the unforgivable sin." They need to hear that God forgives every sin of a repentant heart, even the sin of abortion. Read [MORE](#).

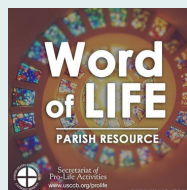

Legislative Update from Kansans for Life "Mini News" March 21, 2026

"The strong grassroots support we saw at this year's March & Rally for Life is continuing to make an impact in Topeka, giving pro-life legislators the backing they need to stand firm this session. While these legislative updates can sound straightforward, KFL is working diligently behind the scenes to get these bills across the finish line. Click [HERE](#) to see where things stand.
